HOW IT WORKS?

Invite Friends and Colleagues: Share the benefits of joining Cognidel Academy with your network. Whether they are looking to advance their careers, acquire new skills, or explore the latest in automation technologies, we have something for everyone

Earn Rewards: For each successful referral, you earn exciting rewards! This is our way of expressing gratitude for helping us grow our community and support more individuals in their professional journeys

Simple and Easy: Referring is easy! Simply share your unique referral link or code, and once your friend enrolls and completes their course, you will receive your reward. Why Refer?
